

Welcome to February!

We have had a very busy start to 2017, the children settled straight back into lessons, especially as we started school so early after the Christmas holidays. They are all very focused and determined to succeed! This term, although quiet is always full of learning.

I have been spending a lot of time with the children in the dinner hall. This has actually become my favourite time of day, I love sitting chatting to our children – they really are delightful! I have found it quite surprising that many of our children do not know how to correctly use a knife and fork and choose to eat with their fingers instead. Could I please ask for your support in encouraging your children to use a knife and fork at home as well as in school.

Many thanks

Mrs Strachan

doing the little things well...

As part of living out our mission statement, we are trying to do a 'little thing' well each month. In February, we will be holding a second hand uniform sale. Please send any donations of uniform into school.
