

St Teresa's RC Primary School

Behaviour Plan

At our school we are a Christian family. We treat each other as Jesus asked us to. We show love to each other and treat each other as we would like to be treated. This makes our school a happy place to be.

In school, adults and children follow these rules:

- We do as we are asked*
- We are kind, polite and considerate to everyone*
- We talk calmly to each other*
- We listen to who is speaking*
- We walk around our school quietly and sensibly*
- We are responsible and take care of our school and of each other*

On the playground:

- We treat each other as we want to be treated*
- We stand still and are silent when the bell or whistle goes.*

When pupils work hard and make us proud they earn rewards. These take many forms and examples of these are listed in our behaviour policy. If children do not behave in the ways outlined above there are consequences which are also outlined in our behaviour policy.

We follow Jesus example of forgiveness and every day in our school is a new day and a new start for everyone.
