

Key Stage 2 Results 2016

We were, once again, delighted with our results this year. They reflect the sheer dedication and commitment shown constantly by all of our school family. Our children work especially hard and we are so proud of their consistent determination to succeed.

- Our children achieved an average scaled score of 106.2, this was significantly above the national average of 102.7.
- 76% of our children reached the expected standard in Reading, Writing and Maths, this was significantly above the national average of 52%.
- 79% of our children achieved the national standard in reading, this was significantly above the national average of 66%.
- 82% of our children achieved the national standard in writing, significantly above the national average of 74%.
- 91% of our children achieved the national standard in maths, this was significantly above the national average of 70%
