

MATCH REPORT

ST. TERESA'S 4 - RYDAL 1

Well done to the football team of St T's for putting on an excellent performance of a 4 - 1 win over Rydal Academy. Here is what happened.

We kicked off the match, on a very muddy pitch at the start they looked dangerous but we fought back. It took about 7 minutes to counter attack and open the scoring with our captain scoring Alfie Ward and made it 1 -0 to ST. 5 minutes later Hari Bondarenko receives the ball and scores to make it 2-0 to St. Half time ST 2-0 Rydal Academy.

Second half gets going. The other team takes kick off. The other team attacks us and takes a shot and puts it on target but the keeper Harry Bickerton pulls of an outstanding save. 5 minutes later, yet again Hari Bondarenko scores to make the score 3-0 to St. Rydal counter attacked numerous times but on one of the occasions our defenders launched the ball forward, for Alfie Ward to bang in yet another goal to make the score 4-0. As the pitch was so muddy the ball bounced through our defence for them to pull one back and make the score 4-1. Full time and a first league win in a very long time as everyone put in a cracking performance and we hope the form continues.
