

On a hot day, 21st June 2017, our football team had a great game – we had a fantastic result against Harrogate Hill, it was 4-0! In the first five minutes, Pierce scored a pretty good goal, which made the score 1-0 to St Teresa's. After that, Pierce scored an unbelievable goal, soon after Hubert scored a well built up goal, we were 3-0 up! Just before half time, Mati scored a goal, which gave us an advantage for the next half. The next half there was a lot of chances for both teams, but the full time score was 4-0 to S.t Teresa's.

Man of the match

We decided Pierce but Jake wasn't far behind, we chose Pierce because of his two magnificent goals. Jake was close to man of the match, because of his brilliant defending and him running up and down like an engine.

Improvements

For the next match, we need to pass quickly and firmly, and shout loudly. Also we need to look up more when we are about to pass.

What went well?

Our team chemistry was fantastic because of our friendship, that lead us to victory also we took our chances.
