

2017/2018 academic year: P.E. and sport

OFSTED recommendations are that investment should “impact on **increasing participation, promoting health and wellbeing and improving performance of all children and groups**”. We have aimed to invest in training staff and engaging all our children in physical activity and high quality P.E.; we believe these improvements are sustainable and the impact will be measured accordingly, as stated below. The school will receive a total of **£18510** for the academic year 2017/18.
