MEET THE TEACHER

Dear Parents and Carers,

We are holding **Meet the Teacher** sessions next week. These sessions are a chance for you to meet your child's teacher; be introduced to the curriculum content of each class; to hear about class expectations; to discover class routines about homework, etc.; and to give you a chance to ask questions about the forthcoming year. As you know, we want the best for all pupils here at St. Teresa's and when both school and home work in partnership it is so beneficial to our children.

The timetable for these information sessions are:

Monday 1st October – Classes 5, 6, 3, 7

Tuesday 2nd October – Classes Reception, 1, 9

Wednesday 3rd October – Classes 2, 10

Thursday 4th October - Class 8

The Meet the Teacher sessions start at 3:20pm. Please meet at the **main school entrance door** at this time and you will then be taken to your child's class. We have support staff on hand to supervise children during these sessions.

We look forward to seeing you at these events.

Mrs Lindsay
Deputy Head Teacher
